

# Colonial District – NCAC Spring 2007 Camporee

## Disaster Preparedness

### Camp Highroad - April 20-22, 2007

## 1 Program Information

The program for the 2007 Spring Camporee is built on the concept that Merit Badge work is only the beginning in the use of the skills learned. Individually, these skills can be used to respond to emergencies, but when emergency after emergency arise, the result is a disaster that requires combining skills for an adequate response.

The camporee is not limited to Scouts who already have Merit Badges because the central method is the Patrol Method. It is up to the Patrol leader to know and use the resources available to the Patrol, and to not try to do everything himself. The Patrol uses all its intellectual and material resources to respond to a set of circumstances that might be met in a remote village of a fictional third world country after a series of natural disasters.

Filling sandbags to hold back the flood.

### 1.1 Program Events

There are four major events and several extra credit events that will take most of Saturday. Each Patrol will go through four challenging events, as many extra credit events as they like, and will take part in camporee-wide activities.

The events require some walking over uneven ground, so in addition to dressing for the weather, Scouts should be prepared to do some walking between event locations and during some of the events.

### 1.2 Lost Hunters

Each Patrol will search for the lost hunting party following trail signs in the Scout Handbook and help them return to the village with their prey.

### 1.3 Lost Miner

An Earthquake has caused part of the local mine to collapse, and one miner has not come out of the mine. The Patrol must go in after him, mindful of the poison gases that may be there.

### 1.4 Rescue Flight

The first rescue flight into the village has crashed in the fog. The Patrols must locate the flight, signal circling aircraft to drop needed rescue equipment with mirrors and signal panels, aid the injured flight crew and bring out both crew and supplies.

### 1.5 Restore Communications

The Earthquake has also broken the village telegraph line. In the relief supplies are radio sets that must be assembled and messages sent to the outside world. Sort through the message to decide which are the most important and then talk to radio stations around the world.

### 1.6 Camporee-wide Activities

The entire camp will enjoy Saturday lunch from a rescue mission soup kitchen. This meal is served centrally by camporee staff. The cost of this meal is covered in the camp fee. Lunch

will be two kinds of soup, chicken and beef. Scouts of restricted diets should plan to bring appropriate meals, to eat with the rest of the camp.

## 1.7 Midway

Between the four major activities there will be six midway activities that Patrols may attend for extra credit. These events at Scout Jeopardy (pick a category!), CSI, Lorton (solve the crime), First Aid Baseball (know your hurry cases), Map Symbol Baseball (do you know your map features?), the What Knot? Tree (maybe they are not all knots), and Kim's Game (how well can you remember what you have seen?).

## 1.8 Adult Events

Because of the nature of the camp program, we will need a number of adult volunteers from attending units to fill positions in the soup kitchen. We will also need adult volunteers from attending troops to run the Midway events. A food management team will organize the cooking and serving, and the Midway Event Leaders will have all the materials needed for the Midway activities. Please be generous with your time. As B-P said, "If it isn't for the Boys, it's for the birds". Rather than sit around the campsite all day, come on out and help make this a better camporee.

## 1.9 Awards and Recognition

Patrols will be evaluated at each program event and awards will be given for:

- Best Camp Site
- Best Troop in all events
- Best Patrol in each event
- Outstanding Scout Spirit
- Best Skit

## 1.10 Entertainment

Each Troop is requested to have a song or skit prepared for the Saturday evening entertainment.

## 1.11 Closing Ceremony

Closing ceremony is on Sunday morning, at 8:30 a.m.

## 1.12 Leave No Trace

In addition to cleaning up your individual campsites before checking out, each Troop is requested to send one Patrol to camp headquarters Sunday morning between 10:00 and 11:00 a.m. to help the camp staff break down the event activities.

## 1.13 Junior Leader Training

For the 2007 Spring Camporee there will be **NO** JLW activity.

# 2 General Camporee Information

## 2.1 Overview

The program for the 2007 Spring Camporee provides opportunities for Scouts to combine skills learned in First Aid, Emergency Preparedness, Wilderness Survival, Pioneering, and other Campcraft and Woodcraft activities to help a remote village in the nation of Gilwellia recover from several natural disasters. This camporee is designed to give the Patrol Leader an opportunity to lead his Scouts through various rescue events. Camp program activities and training are explained in "newspapers" distributed to each unit via email and at the February Roundtable.

## 2.2 Method

The Scouting Method provides the overall guidance for this Camporee. All Troops will follow the Patrol Method in individual activities.

## 2.3 Webelos Scouts

The Spring Camporee will **NOT** have any Webelos activities.

## 2.4 Program/Patrol Participation

All Camporee activities shall be undertaken by Patrols. Patrol leaders will be responsible for ensuring the behavior of the Scouts in their patrols. All training and preparation for the Camporee activities, therefore, should be undertaken by Patrols as teams.

The activities need a minimum number of Scouts to be effective. We suggest that a patrol have a minimum of six Scouts. Patrols of fewer than six members may be combined, for event purposes. Such *ad hoc* patrols will be required to have an elected Patrol Leader and Patrol yell.

## 2.5 Camporee-Wide Service Project

At the request of Camp Highroad, no group service projects will be undertaken at this Camporee.

## 2.6 Religious Service

A non-denominational Vespers service will take place after dinner, before the campfire program on Saturday evening. Check with the Admin tent at registration for location.

We are trying to arrange a Catholic Mass for Saturday evening. Please check with the Admin staff at registration for details on time and location.

## 2.7 Order of the Arrow

### 2.7.1 Chapter Meeting

There will be a fellowship lunch for all Order of the Arrow members at 12:00 pm on Saturday, in conjunction with the camp-wide soup kitchen lunch. OA members will meet at

the soup kitchen after they are served their soup.

### 2.7.2 Brotherhood Ceremony

There will be a Brotherhood Walk Saturday night for Arrowmen wishing to make their Brotherhood conversion. The walk will start at the conclusion of the Saturday night campfire. Please RSVP to Kyle Ruempler at [shruempler@msn.com](mailto:shruempler@msn.com). For our LDS units, please note that there will be an afternoon Brotherhood Conversion opportunity at Spring Ordeal.

### 2.7.3 Call Out Ceremony

There will be a Call Out Ceremony for all newly elected Ordeal Members at the Saturday evening camp fire. If you DO NOT want your scout's names called out, please inform the Chapter Advisor at check in.

### 2.7.4 Night Games

The OA will host night games Friday night after lights out. All Scouts are welcome to participate. Meet at the Admin Tent at 11:00pm Friday.

### 2.7.5 Chapter Elections & Forum

Elections for Chapter Executive positions – Chapter Chief, Vice-Chief Communications, Vice-Chief Inductions, Secretary – will be held Saturday during the OA Lunch. Swear in ceremony will take place at Spring Ordeal.

There will be a candidate's forum following the night games Friday night, where you will be able to meet the candidates and ask questions.

If you would like to run for a position, please contact Ben Geier at [littlezednik44@aol.com](mailto:littlezednik44@aol.com) prior to Camporee. Walk-in candidates are also welcome.

## 2.8 When and Where

The Camporee will take place Friday, 20 April 2007 to Sunday, 22 April 2007 at Camp Highroad, 21164 Steptoe Hill Road, Middleburg, VA 20117.

## 2.9 Camporee Management

The following individuals are responsible for the Camporee program. If you have specific questions, please contact the individual responsible for the area. For general questions contact the Camporee director.

Camporee Director	Bill Leister	dbleister@cox.net
Program Directors	Jim Stewart	stewartJ67@yahoo.com
	Owen Hammett	owenhammett@cox.net
Camporee Support Coordinator	Tony Moller	tony@aroooo.com 703-347-3645
Camporee Registration	Judi McCuiston	judimccuiston@hotmail.com
Communications Net	Bill Stewart	bstewart@bna.com
Health and Safety	Bill Stewart	w2bsa@cox.net
Order of the Arrow Advisor	Tony Moller	703-347-3645 tony@aroooo.com
District Commissioner	Ray Garant	Ray_garant@yahoo.com
Camporee Quartermaster	Norm Johnson	norman.j.johnson@ce nsus.gov

## 2.10 Traffic Control and Parking

Parking at the Camporee is limited to the marked area in the camping field. One car/truck with trailer ONLY may drive to the campsite area to off-load equipment, but they must be removed to the parking area as soon as possible.

## 2.11 Two Deep Leadership and Youth Protection

National BSA policy requires that "Two registered adult leaders, or one adult and a parent of a participating Scout, one of whom must be at least 21 years of age or older, are required for all trips or outings. There are a few instances, such as patrol activities, when no adult leadership is required. Coed overnight activities require male and female adult leaders. "National BSA policy also states that "When staying in tents, no youth will stay in the tent of an adult other than his or her parent or guardian." It is the unit leader's responsibility to

see that these policies are enforced within his/her unit. Questions or concerns should be directed to the Camporee Director or to the District Executive.

## 2.12 How to Get There

Camp Highroad is located at 21164 Steptoe Hill Road, Middleburg, VA 20117.

From Rt. 50 westbound take a right onto Snickerville Turnpike (Rt 734). Turn right onto Lime Kiln Road, and finally turn left onto Steptoe Hill Road. Driving directions can be obtained here:  
<http://www.camphighroad.org/map/>

## 2.13 Camping

All campsites will be located in the same field ("The Outback") at Camp Highroad.

## 2.14 Camporee Food Service

Units are responsible for bringing their own food and the necessary means for preparing it. All troops will need 2 breakfast meals for Saturday and Sunday mornings, and Saturday dinner. In keeping with the camporee theme, the staff will operate a rescue soup kitchen for lunch (chicken or beef soup) on Saturday, the cost of which is included in the camp fee. If a Scout or Scouter has a dietary restriction, they should plan to bring their own meals, but join the camp to eat them. Units should eat Friday prior to arrival.

## 2.15 Emergency Contact

It is recommended that units should have access to several cellular phones, which could be used as a primary contact for members of their Unit. The Camporee Support Coordinator number is 703-347-3645, but it should only be used in case of emergency. Camp Highroad's office number is (540) 687-6262. Anyone calling either number must know the individual's Troop or Pack number and, if possible, the unit leader's name.

## **2.16 First Aid**

The First Aid Station will be set up near the Headquarters area and will be marked with a prominent sign. All injuries, even minor ones treated in Troop campsites, must be brought to the First Aid station personnel for treatment and/or recording. All program areas will have first-aid kits available. Additional information, if required, will be provided at the Friday night leaders' meeting.

## **2.17 Parental Authorization**

In case of serious injury or illness requiring emergency medical services or hospital treatment, a health history record and a permission form signed by a parent or guardian are required. This form must be accessible to the adult leader/leaders at all times. If a Scout is brought to the First Aid Station for any type of treatment, his parental authorization form should be available for review by the Camporee staff. A sample form for unit use is included in this package.

## **2.18 Fire & Ambulance Service**

In the unlikely event that fire or ambulance services are needed, send a runner to the Camporee Headquarters, so that an emergency call can be placed and the Camporee Director can be notified immediately. If the emergency call is placed from a cellular phone within your area, you still must send a runner to the Camporee Headquarters to notify the Camporee Director of the emergency and to arrange for the emergency equipment to be directed to the correct location.

# **3 Registration and Check-Out Procedures**

## **3.1 Pre-Registration Required**

All units planning on attending should register by April 4 2007. This pre-registration

information will be used to establish program plans, purchase supplies, and to assign campsite locations. Units that do not pre-register must pay all fees at the Camporee BEFORE a site is assigned or supplies delivered, assuming any are still available. A pre-registration form may be found at the end of this package, or you may register via e-mail by simply providing the same information. Send your pre-registration form to: [judimccuistion@hotmail.com](mailto:judimccuistion@hotmail.com)

## **3.2 Registration and Check-In**

For units that pre-register, their campsite assignment, a Camporee map, and any other relevant Camporee information will be provided at check-in. You will need to get your site assignment and a map before you enter the camping area.

## **3.3 Campsite Assignment**

All campsites will be by assignment. Please camp in your assigned spot. Nearby fields not used in the Camporee will be used by Camp Highroad for agricultural purposes, so please do not enter them. These areas will be designated on your camp map.

## **3.4 Locating Your Unit's Campsite**

Each site is individually marked with a numbered marker. After you unload your gear, please move vehicles to the parking area.

## **3.5 Camporee Fees**

The cost is \$20.00 per Scout or Adult for the entire weekend. This includes the camp fee, Scout insurance, a Camporee patch, lunch on Saturday and materials for the various events.

## **3.6 Changes and Cancellations**

Please inform the Camporee Management of any changes in participation or cancellations as soon as possible. Due to the amount of supplies that must be procured for the Camporee late

registrations may not receive all of the required materials. Cancellations after April 11, 2007 will not receive refunds.

### **3.7 Late Arrival & Early Departure**

If a unit is not going to arrive Friday night, please indicate this on your pre-registration form. If your unit is going to leave Saturday night, make sure you indicate this on the final registration form. If your unit must leave on Saturday evening, and you have notified the Chairman for Administration, you may pick up your patches and ribbons after you have totally vacated your campsite and had the campsite commissioner sign the check out form.

### **3.8 Check-Out Procedures**

Each unit will receive a checkout and program evaluation form at registration. Additional copies will be available from the Campsite Commissioners. After you have cleared your campsite of all unit and personal gear, policed the area, send someone to notify your Commissioner. When the Commissioner arrives, he/she will inspect your camp and then sign off on the check-out/evaluation form. After the Closing Ceremony Sunday morning, bring your signed form to the Camporee Headquarters and you will receive ribbons and patches for your unit. All units should be out of camp by noon.

### **3.9 Camporee Patches & Ribbons**

The Camporee ribbons and patches will NOT be available until AFTER the Closing Ceremony Sunday morning. If you do not pick them up, they will be mailed or available at the next Roundtable.

## **4 Camping Guidelines**

### **4.1 The Campground**

As members of the Boy Scouts of America, it is our obligation and responsibility to see that

everyone respects and observes posted rules and regulations and follows guidance provided by the Camporee directors and site commissioners. Let's be sure to leave the campground in better shape than when we arrived!

### **4.2 Ground Conditions**

The camping will be in relatively flat grassy fields with considerable nearby tree cover. Protect your tents by bringing sturdy ground cloths and protect your body by bringing foam pads or air mattresses for a good night's rest. There are only a few picnic tables in the campground area and they are not to be moved.

### **4.3 Natural Habitat**

No trees, shrubs, or bushes will be cut within the campground or neighboring areas. Wood that has fallen from trees will be left in place. Do not molest or interfere with the area's wildlife and do not play in the streams or ponds within the campground.

### **4.4 Tent Ditching**

There will be NO tent ditching or other changes made to the ground contours to improve campsites. Remember that proper pitching of tents does not require ditching.

### **4.5 Cooking and Ground Fires**

It is recommended that units bring their own stoves, grills, and fuel for cooking. Charcoal and propane are recommended. Liquid charcoal lighters are not allowed. When using charcoal, ensure that you protect the ground cover by using a fire pan.

No open fires will be allowed at the troop campsites. This includes ground fires, pit fires, mound fires, etc.

### **4.6 Use of Liquid Fuel**

The safety of our Scouts and Scouters must be a prime consideration in the use of liquid fuels. The use of liquid fuels in lanterns and stoves is acceptable at this Camporee only if: 1) A

knowledgeable adult provides supervision over the storage, transportation, and usage of the fuel; and 2) Scouts have been taught the safe and proper handling and usage of the fuel, stoves, and lanterns.

#### **4.7 Drinking Water**

Potable water will be available at a central location, which is relatively close to the designated camping areas. Be prepared to carry water from our water source to your campsite.

Canteens should be carried during the program on Saturday, as drinking water will not be readily available in the program areas. *Proper hydration is key to keeping our Scouts healthy.* To avoid the serious consequences of dehydration, ensure everyone regularly consumes water, especially as they travel to and from program areas and while in the areas. Washing of dishes at the central water location is prohibited.

#### **4.8 Latrines**

Portable latrines will be available at convenient locations around the Camporee area. Please respect them and keep them clean.

#### **4.9 Trash**

Every unit should bring a supply of plastic trash bags to securely bag their own trash. A single dumpster will be available for general Camporee usage. Please keep the campground clean and do not leave bags of garbage unattended; wild animals and birds love unattended garbage.

#### **4.10 Campsite Inspections**

The Campsite Commissioners will perform a health and safety inspection on Saturday afternoon. Units will be graded on good food handling practices, establishing a healthy campsite, and providing a safe environment. Outstanding units will be recognized during the campfire. A sample camp inspection form is included in this package.

Each unit participating in the Camporee will have its campsite inspected before it is allowed to depart the campsite on Sunday.

## **5 Camporee Rules**

### **5.1 Law of the Camporee**

As in all Scouting activities, the Scout Oath and Law and the Cub Scout Promise and Law of the Pack will be the Law of the Camporee. Any individual, who does not act, as he should, may be putting his unit's future Camporee privileges in jeopardy and jeopardizing future Camporee privileges of the Colonial District. Unit Leaders are reminded that their Scouts should have adult supervision at all times. Units that do not comply with these rules will be asked to leave immediately.

### **5.2 Camp Highroad Rules**

Portions of Camp Highroad are used for farming and other agricultural purposes. At the request of Camp management, please observe the following:

- Stay out of the fields which are not being used for the Camporee. Especially do not enter fields currently containing crops. These areas will be marked on your maps.
- We will not be the only visitors to Camp Highroad. Please do not go outside of the Camporee program area during your stay. Program areas will be designated on your maps. All other areas will be considered off limits.
- Please keep all pioneering projects in designated pioneering areas and inspect all campsites and any other areas used prior to departure for tent-stakes, ropes, tools, wood, or any other materials which may damage agricultural equipment (especially hay mowers).
- Do not attempt to pet, chase, or otherwise harass any animals that you may encounter – particularly cattle and horses.

### **5.3 Health and Safety**

### **5.3.1 Lightning Plan**

Camporee management will monitor weather conditions via NOAA channels. In the event of a nearby thunderstorm and hazardous lightning conditions shelter should be taken in automobiles if available, otherwise within the tree line.

### **5.3.2 Pick-Up Trucks**

The Boy Scouts of America regulations state that Scouts may not ride in the back of pickup trucks. This rule will be strictly enforced at the Camporee. It is the unit leaders' responsibility to assure that all Scouts are transported in safe vehicles with adequate seat belts.

### **5.3.3 Quiet Hours**

All units will be subject to quiet hours and lights out from 11:00 PM to 7:00 AM. Leaders in each troop are responsible for enforcing quiet hours and lights out. Scouts returning after the evening program should return quietly in respect for those who are sleeping.

### **5.3.4 Flames in Tents**

Cooking or lighting with OPEN FLAMES of any kind is not allowed in any tent. Electric battery lanterns and flashlights or chemical glow-sticks are recommended.

### **5.3.5 Knives**

Sheath knives and knives with blades longer than 4 inches, except cooking knives, are not allowed at the Camporee. If any are found, a member of the Camporee staff will hold them for the remainder of the Camporee. Folding knives that are in a case or worn on a belt are permitted.

### **5.3.6 Illegal Drugs and Alcoholic Beverages**

No alcoholic beverages of any kind or illegal drugs are allowed at the Camporee.

### **5.3.7 Arms and Firearms**

For safety reasons, firearms, pellet guns, BB guns, or slingshots of any kind are not allowed at this Camporee.

### **5.3.8 Fireworks**

Absolutely no fireworks are permitted,

## **5.4 Proper Uniform**

BSA Field Uniforms (Scout shirt and Scout pants or Scout shorts with proper socks) for travel to and from the Camporee as required in BSA regulations. Venturing Crews and Sea Scout Ships wear unit-designated uniforms. The uniform for Saturday is the BSA Field or the Troop Class-B Uniform. **No military garb or fatigues, including camouflage, may be worn.**

## **5.5 Discipline**

Leaders will be responsible for the behavior of their Scouts at all times. Adult Leaders who are not helping in the events, should circulate through the events in which their Scouts are participating. Also, in past Camporees, pick-up ball games (both supervised and unsupervised) have become a source of injuries. Leaders are asked to discourage such games and urge boys to focus on Camporee activities. Sports equipment should not be brought to the Camporee. Radios, televisions and tape/CD/MP3 players should also be left at home.

## **5.6 Evening Report**

Just prior to Taps and lights-out (11:00pm) each Troop will send the Senior Patrol Leader and his buddy to the Headquarters Tent to report that all members of the Troop are present and in their campsite, or otherwise accounted for.

# Camporee Agenda

## Friday 20 April

10:00am – 10:30am	Staff Arrival
10:30am – 3:00pm	Site Prep <ul style="list-style-type: none"><li>• Camporee HQ</li><li>• Registration</li><li>• First Aid</li><li>• Water Buffaloes</li><li>• Council Fire</li><li>• OA Brotherhood Ceremony</li><li>• Flag Pole</li><li>• Campsite Designations</li><li>• Program Sites</li></ul>
5:00pm – 10:00pm	Units Arrive and Check-In
10:00pm – 10:30pm	Leader's Meeting/Cracker Barrel with SM's, ASM's, and SPL's
11:00pm	Taps and Lights-Out
11:00pm	OA Sponsored night games and Officer Candidate Forum

## Saturday 21 April

7:00am	Reveille
7:00am – 8:00am	Breakfast
8:00am – 8:30am	Flag Raising and Opening Ceremony
8:30am – 12 noon	Program Activities
12 noon – 1:00pm	Lunch
12:15pm – 1:00pm	OA Fellowship Lunch
1:00pm – 5:00pm	Program Activities
6:30pm – 7:30pm	Dinner
7:30pm	Flag Lowering
7:45pm – 9:30pm	Entertainment
10:00pm – 11:00pm	Brotherhood Walk
11:00pm	Taps and Lights-Out

## Sunday 22 April

7:00am	Reveille
7:00am – 8:00am	Breakfast
8:30am – 9:00am	Closing Ceremony
